MY DEAR PARISHIONERS,

IF you have any Reverence for the Commandment of GOD, who ordained the Obſervation of a Sabbath, by the firſt Law given to Man, and who ſanctified it, by the Mouth of his Prophet *Moſes*, " remember that thou keep holy the SABBATH-DAY;"

If you have any Love for your own Souls, or any Deſire to be taught by what Means you may be bleſſed for ever in Heaven;

If you have any Reſpect for your ſpiritual Paſtors, who thus admoniſh you to attend to your Duty; or for the Laws of your Country, which have ordained a Penalty for your Neglect of it;

Let nothing but Sickneſs, or ſome other unavoidable Hindrance, prevent your Attendance on the public Worſhip of GOD on every Sunday.

If you perſevere in this Practice, you will find it full of Comfort; and we ſhall all have occaſion, in the Day of Judgment, to rejoice; we, that we gave you this friendly Admonition; and you, that ye had Grace and Wiſdom to receive and obſerve it.
